

# MARATHON HOSTEL

your hostel in Genoa center

[www.marathonhostel.com](http://www.marathonhostel.com)

The Marathon Hostel offers a unique experience **inside a monument**, in spaces with historic value, Deco-influenced and industrial architecture typical of the 1920s/30s.

**150 beds on 3 floors, an exclusive pub with Europe's longest monumental bar, a gym reserved for guests and several shared spaces.**

The hostel is not only a gathering place for those who share a passion for travel: it is also a great opportunity to socialize with people from all over the world while sharing the same spaces and a great reference point for families, students, and workers on the move in Genoa.

Whether it's breakfast, a day of study, two beers with friends at the pub, a relaxing hour in the rooms or in the gym, spending time at Marathon Hostel

means sharing and comparing notes. The experience of a hostel and the comfortable amenities of a hotel.

**We offer you all the best of hostel sharing**, affordability, sports activities, central location and culture without having to give up the comfort and warmth of an intimate environment.

Our hostel was created to be a social environment and to share especially time with new people.

# 1

## FIRST FLOOR

10 rooms with bunk beds,  
2 private rooms, 1 shared kitchen  
(multi-equipped with various

disabled), modern laundry  
room with dryers of the latest  
generation.

# 3

## THIRD FLOOR

11 rooms with bunk beds, large  
windows to provide plenty of light,  
as well as relaxing lounges.

# OUR ROOMS—

Mixed Dormitory

Female Rooms

Private Rooms

Groups

“

Traveling means discovering new cultures and stepping out of your comfort zone to try new experiences.

Our hostel offers the opportunity **to get to know each other** without sacrificing the comforts that hotels can offer.

The facility provides 150 beds in dormitories for 4, 5 or 6 people, some private rooms for 2 or 3 people, and dormitories for the exclusive use of groups of friends or family members.

**There are dorms for female use only.**

All rooms and dorms are equipped with bathrooms (indoor or outdoor, for the exclusive use of the room with shower and hairdryer), air conditioning and lockers, and the furnishings are colorful and designer.

**Marathon Hostel provides all its guests with due privacy while sharing the environment with new people.**

Each station has a storage compartment in the head of the bed so that one's personal belongings are always at hand, usb and personal power supply, reading light, a private locker and a lockable drawer for storing one's luggage.

Our beds are designed to provide optimal conditions for privacy, have a very innovative design and offer everything necessary for a peaceful stay.

Access to the rooms and private bathrooms outside is regulated by electronic locking with a code reserved for each room that can be operated through a special display.

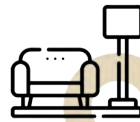

# services —

An accommodation facility with people at the center: exclusive services such as indoor and outdoor, electric bike rental, study area and recreation rooms, as well as a kitchen in which hostel guests can prepare their own dishes.

## KITCHEN

On the first floor there is a fully equipped kitchen available any time for all the guests, to relax or enjoy a meal with new friends

## DINING ROOM/STUDY

Dining room/study on the first floor, next to the kitchen, with numerous tables available to guests at any time of the day.

## GYM

An exclusive gym, inside the hostel, available to all guests; to be able to escape to the daily grind with healthy physical activity.

## LAUNDRY

A self-service laundry room is available on the second floor to get fresh-smelling clothes during your stay, with state-of-the-art dryers and open h24 - travel light!

## LUGGAGE STORAGE

In addition to the lockers in your room, the hostel offers an area for storing your luggage, even after you check out.

## FREE WIFI

Whether for study, work or leisure, the hostel offers free wifi to its guests, both in the rooms and social areas.

## AIR CONDITIONING

All rooms have air conditioning-inverter area through splits that can be adjusted in complete autonomy.

## RESERVED PARKING

Our hostel has parking for cars, motorcycles and bicycles, as well as a electric car charging station.

# the pub —

A coffee break, a business lunch or a relaxing dinner and you can always end the evening at our Pub & Cocktail Bar in good company.

The Marathon Pub cannot be labeled: it is a brewery, restaurant, burger house, cafeteria, cocktail bar, offering contemporary dishes and at the same time linked to the territory. National and international labels, as well as a battery of 8 beer tappers from the Heineken Italia group, main-partner of the project,

star on an imposing bar: the real star of our Pub.

Marathon Pub has a large space for hosting events, including reserved ones, or musical evenings. Also available to all our guests there will always be a piano, because music is life!

Contact us if you want to organize a corporate dinner, birthday parties or reserve the location for events, including private ones.

# groups —

**“Happiness is the only  
thing you double when  
you share it.”**

**A. S.**

**We propose ourselves as the best accommodation facility dedicated to group stays!**

The Marathon is the ideal place to host large groups and groups, whether school tourism, away sports teams or simply groups of friends vacationing in Genoa, who can fully or partially reserve the hostel.

Not only overnight stay, the presence of the pub restaurant allows us to offer breakfast, lunch, dinner and packed lunch services, adapting to the specific needs of the group. The services in the hostel and support in logistical organization will make the group's stay carefree.

We actively cooperate with Tour Operators, Sports Associations, Institutions or even Individuals themselves by providing ad hoc formulas for their group!

# sports groups

---

Genoa has been awarded the prestigious title of “European Capital of Sport 2024” by Aces Europa, the Federation of European Capitals of Sport.

A year full of national and international sporting events, women’s/men’s projects of all ages and abilities with attention to

the all-round promotion of sports.

The Tournament of Regions, Italian Water Polo Cup, women’s national basketball team, field field hockey, International “Salone Nautico” with deep-sea and inshore fishing and much more are expected.

The Marathon Hostel with its strategic location and thanks to the many internal services is proposed as a base for sports groups reserving dedicated and exclusive services.

“

A gym inside the hostel available to guests so they can maintain workout routines.

Possibility to request **exclusive use** of space and equipment for sports group workouts.

## Healthy Food

The Marathon Hostel has an in-house kitchen, so it is possible to study with our chef **ad hoc menus for nutritional needs** and specific diets of athletes, offering service for both lunch and dinner.

The restaurant-pub and dining room (with communal kitchen) on the first floor of the hostel can be fully available to groups by agreeing on an offer tailored to personal needs. Storage lockers are available for guests and also a 24-hour in-house laundry.

A young man with short brown hair, wearing large silver headphones, a light blue button-down shirt, and a grey backpack, is smiling and holding a yellow coffee cup. He is sitting in a bright, modern setting with a white brick wall and a circular pendant light above him. The overall image has a soft, light blue tint.

**dedicated rates —**

**University promo with dedicated  
and flexible rates: 4/5 days a  
week or entire month.**

## Are you a university student and looking for an accommodation in Genoa?

Marathon Hostel offers sharing, communal environments to meet, get to know each other and relax without sacrificing the comfort and warmth of an intimate environment, individual spaces and one's privacy. We offer state-of-the-art accommodation, complete with all services and in Genoa Center, a stone's throw from all the city's most beautiful attractions and especially from your universities!

## Business conventions

The Marathon Hostel offers area companies discounted rates for long and short term relocators.

The **central location**, the services offered and the **possibility of reserved parking** make the hostel ideal for those who must come to Genoa for work.

# where we are —

The location is strategic for discovering everything about this city, which despite the fact that to outsiders' eyes it may seem "rough" is rich in wonder and tradition.

The shopping street, reached from the hostel via a flight of steps, leads to Genoa's main square, **Piazza De Ferrari**, where the Doges' Palace and the wonderful **Opera House** are located.

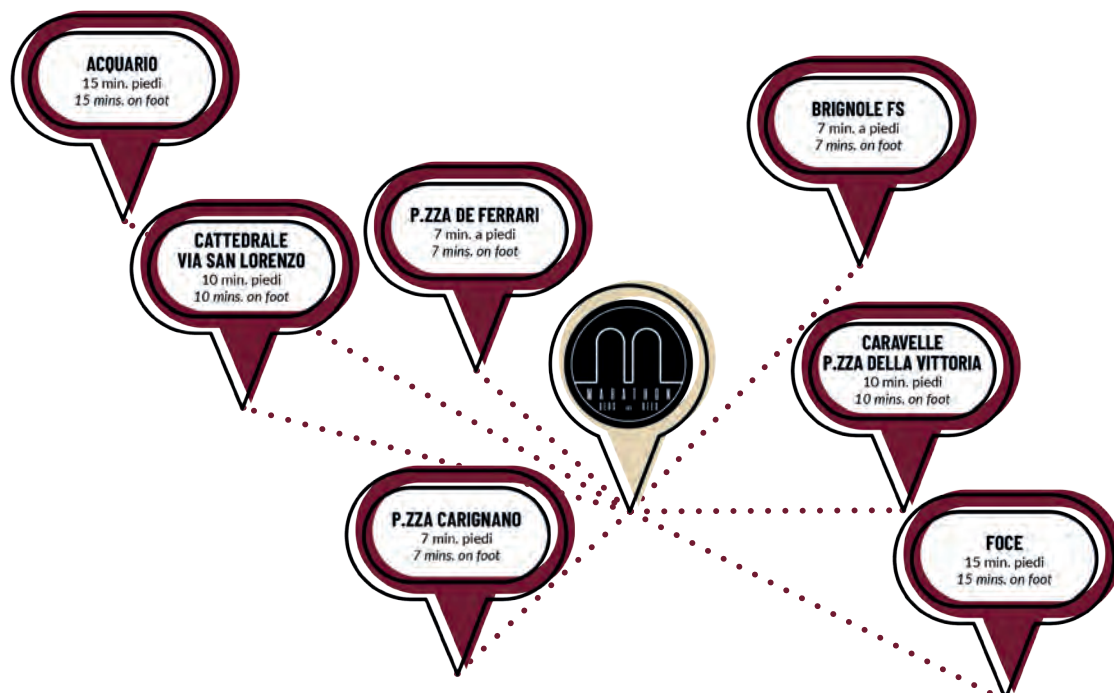

De Ferrari Square is also the main gateway to Genoa's **historic center**, which was included in the World Heritage List by **UNESCO in 2006**.

The location is strategic for discovering everything about this city rich in wonder and tradition. The shopping street, reached from the hostel via a flight of steps, leads to Genoa's main square, Piazza De Ferrari, home of the Opera House.

**In love with the great republic marinara, with its maze of caruggi and begin your genova tour.**
